

Friends of Darley Open Spaces

Darley Park, Derwent Park, Chester Green, Parker's Piece, Darley Fields and Nutwood.

Hydrangea Derby

A Plant Heritage Collection in partnership with Derby City Council

Darley Park has the largest collection (over 400 types) of hydrangea in the UK and in these financially straitened times needs Friends to keep it going.

The story so far:

Friends have been keeping the collection tended throughout 2011

We have a grant from the Neighbourhood Board

A new leaflet is in production

We are developing a programme of tasks for the coming years

We are organising an **Open Day for Sunday, 12 August 2012**

So please **join us** to help with a variety of tasks:

weeding, pruning, mulching
locating and propagating new types
cataloguing and marketing the collection
planning and hosting the Open Day

If you think you can help or would like more details, please contact Alison on
alison.grimwood@mypostoffice.co.uk

We ask that you have access to an email for communication and a mobile for last minute changes to arrangements.

We also ask that you are members of FoDOS (£5 per annum for a household of 2) to cover insurance and administrative costs.
